

SDSRA involvement

St Davids Square Residents' Association (SDSRA)

**Join us on

for the 2017/2018 Annual General Meeting (AGM) for the St Davids Square Residents' Association in the Residents' Lounge at 19:30.

What have the SDSRA Committee done since the last AGM 27 June 2017.

First of all we would like to thank You all for being loyal and staying as members.

In 2017 Brittis stepped down as the chairman but stayed on as a committee member. As no one came forward to take over she has had the role of acting chairman since then.

We really need some more members to join the Committee. Missing blocks are. C, G, H, J and M. It would be great to have some more members to share our work with.

We have been involved in:

- Getting to know yet another Regional Manager from First Port, Phil Heywood
- Replacing the carpet in all blocks
- Creating a hick-up with the replacement of floor in the lifts but got it sorted in the end
- Giving ideas about the mats in each block with the block name on
- Input on entry-doors look and feel
- Getting bins for dog waste installed on the Thames walk outside our development, rather than having all bags left in the bushes
- Giving ideas and providing information on the net- and rock planters between Consort and Falcon
- The replacing to LED lights throughout the development, circa 1500 lights. The savings will be £55000/year from 2021. A lot of money to spend on other things
- Advising that bike sheds should have a light with movement sensor and a CCTV camera inside
- Been to a demonstration of a parcel and key drop system, more to come
- Lift refurbishment
- Access to swimming pool and gym to stop non-residents using it
- Struggling with our old website so decided to make a new simpler with a new URL <http://sdsrae14.com>
- Building an electronic membership page for quicker and easier update

Welcome!

Brittis, Mark, Sally, Jonathan, Lucy, Simon and Grace
